

University of Phoenix®
College of Education

What does the 21st century classroom look like? Find out at a ninety-minute workshop hosted by our College of Education faculty member, Dr. Keith Suranna. He will share his teaching experience and practical classroom knowledge to help create a learning environment that fosters student participation and success.

Workshop

Transforming learning in the classroom.

May 26 | 6 – 7:30 pm
South Florida Campus
600 N. Pine Island Rd.
Plantation, FL 33324
