WARNING

TOUGH TIMES AHEAD
FOR BROWARD EDUCATORS

During the last legislative session, Florida lawmakers launched an all-out assault on public education, teachers, school employees and the students we serve by:

- Slashing 8 percent from the education budget, taking millions of dollars from our schools and classrooms.
- Increasing standardized testing, which robs our children of a well-rounded education with a rich curriculum.
- Forcing hard-working teachers, school and public employees to pay more for our pensions.

COLLECTIVE ACTION WORKS!

When legislators tried to silence our voice by weakening our union and taking away our collective bargaining rights, we fought back! Because teachers and school employees stood together, we pushed back those attempts take away our union and our voice.

Now, more than ever, we need to stand together!

The coming legislative session promises to bring new attacks on education, school services and educators. Join the fight for better public schools and a better future!
