

Individual iObservation Accounts

Ready For Use

- ◆ Individual accounts for access to iObservation for instructional staff are ready for use.
- ◆ Instructional staff will be able to conduct peer observations, create or join discussions and conference with administrators including other instructional staff members at their school.
- ◆ Instructional Personnel and Administrators will have access to the Resource Library, which contains videos and reference materials about the Marzano Teacher Evaluation Model.
- ◆ To facilitate this transition, a Brainshark Tutorial for ALL first time users is available at <http://www.brainshark.com/browardschools/iObservation>. You can view this tutorial on a computer or a mobile device connected to the Internet.
- ◆ Additional Brainshark tutorials will be forthcoming on each of the features of iObservation such as *Conferences, Discussions and Observations*.
- ◆ Familiarize yourself with the **wikispace** located at <http://obs-evalsys.pds-hrd.wikispaces.net/home> for the latest information and implementation process.
- ◆ Our District will be focusing on Domain 1: Classroom Strategies and Behaviors for the 2011-12 school year.
