

# Attention 4th, 5th & 6th Grade Educators:

## ***Earth Patrol*** is coming to your school!

Help your students learn the importance of recycling, the science of waste, and waste-to-energy.

Broward County Waste and Recycling Services and Partner Cities are collaborating with Sun Sentinel News in Education to bring you ***Earth Patrol***.

### Contents include:

- Sunshine State Standards: Reference and research, informative writing, listening and speaking, the research process, connecting math to the real world, interpreting data and graphs, physics, scientific investigation, and adaptation.
- Recycling Right!
- Household Hazardous Waste
- Littering
- Newspaper Activities
- Waste-to-Energy
- How to Make Recycled Paper
- How You Can Help?

You can expect to see ***Earth Patrol*** delivered to your school the week of **April 25th**.

**The curriculum booklets will be delivered by our Sun Sentinel carriers and placed on your school doorstep early in the morning. Please notify the appropriate educators and your custodian(s) of their arrival.**

If for any reason you DO NOT wish to receive ***Earth Patrol***, please indicate in the space below, and fax this flyer to (954) 425-1381.

\_\_\_\_\_ Please DO NOT send ***Earth Patrol***

School Name \_\_\_\_\_

### **Educators:**
